SUBMISSION REQUIREMENTS AND PROCEDURES

The completed application form, applicable fees, and supporting documentation must be returned to the Municipal Office at:

MUNICIPALITY OF NORTH GRENVILLE
PLANNING & DEVELOPMENT DEPARTMENT,
285 County Road #44, P.O. Box 130,
Kemptonville, Ontario, K0G 1J0
Phone: (613) 258-9569
Fax: (613) 258-1441

The Site Plan Control application review will be initiated only once the completed application form and all necessary supporting material are received by the Planner. Failure to provide the required information on this application may result in your application not being accepted. For some applications, additional information from a qualified professional, such as an engineer or landscape architect, may be required. The applicant will pay all costs involved with providing this information.

Mandatory Submission Requirements:

➤ **Site Plan** showing:

- A map plan indicating the location of the subject property in relation to adjacent properties, streets, railway rights-of-way, easements etc.
- A legend explaining all design features and a breakdown of all uses in square metres.
- Dimensions and area of subject property and any proposed division of the property.
- Abutting lands in same ownership.
- Location, size, elevation and type of existing buildings and structures, including floor area, number of storeys, width, length, height, number of dwelling units, exterior building finish (detailing construction materials) for each face of the building, etc.
- Perpendicular distance from lot lines to the nearest walls of existing and proposed buildings, and building spacing, where applicable.
- Location and width of existing and proposed access to public streets.
- Internal road pattern including aisles, ramps, loading bays, and parking spaces with dimensions. A table of parking calculations and parking for handicapped persons must be shown on the plan.
- Distance from front lot line to centreline of public streets.
- Location and details of underground and above ground utilities extended to the subject property, including hydro, water, sewer, gas, cable and telephone lines.
- Location and details of existing and proposed signs.
- Location and types of fences and lighting.
- Location and details of existing and proposed garbage storage.
- Location of fire hydrants, light standards, hydro poles, or other installations.
- Location of designed fire routes(s), easements, and rights-of-way.

➤ **Landscape Plan** showing:

- Existing landscaped features to be retained, areas to be grassed, areas to be used for the storage of snow.
- Location, type and height of any fencing and retaining walls, materials used for constructing sidewalks.
- Location, quantity, species, calliper or height of all existing and proposed trees, plants and shrubs. A table of such landscaping materials, cross sections, and planting schedules must be shown on the plan.

- Any other detail pertaining to the aesthetic development of the site such as berms, planters, and street furniture (benches, bike racks, garbage receptacles, etc.).
- Where required, an open space/park plan will be prepared to the satisfaction of the municipality.
- **Grading and Drainage Plan** showing:
 - Existing elevations on subject and adjacent lands and along centreline or adjacent public streets and railway rights-of-way. All elevations are to be geodetic.
 - Location, elevations and contours of any creeks, ravines or watercourses on the subject and adjacent lands. Arrows indicating the proposed direction of flow of all surface water.
 - Finished elevations at the building lines and at all critical points such as catch basins and adjacent lands.
 - Location and details of swales, all surface water outlets, catch basins, rip-raps, rock and retaining walls, size and gauge of metal culverts.
 - Dimensions of box culverts, depth and quality of asphalt, curbing, servicing and connections.
- **Survey plan** prepared by an Ontario Land Surveyor stating the legal description and showing the property boundary, existing buildings and structures, existing trees, floodplain limit, and appropriate dimensions.

Potential Plans and Studies/Reports to be Submitted:

Plan and study/report requirements are outlined for the applicant during the pre-application consultation process or in correspondence with a planner. If you fail to consult with staff, the Municipality of North Grenville cannot guarantee the completeness or accuracy of your application submission, which may result in processing delays.

- Planning rationale
- Building elevations
- Sun shadow study
- Minimum distance separation (MDS)
- Archaeological assessment
- Hydrogeological report
- Geotechnical report
- Servicing plan
- Servicing brief/report
- Stormwater management brief/report
- Traffic impact assessment
- Noise study
- Environmental Impact Statement (EIS)
- Phase I/II Environmental Site Assessment (ESA)

Submission Format Requirements:

- Five (5) copies of all plans and drawings on A1-sized paper and folded to 8.5" x 11" (NOT rolled).
- One (1) reduced copy of each plan and drawing on 8.5" x 14" or 11" x 17" paper.

- All plans and reports prepared by an engineer must be signed and sealed by a professional engineer licensed in the Province of Ontario.
- Three (3) copies of all studies and reports.
- Electronic copies of all required plans, studies and reports must be provided in on a CD, DVD, or flash drive in .PDF format.

Procedures:

- The Municipality retains the right to accept applications meeting a reduced standard of detail or requirements when it is demonstrated such reduced standard is appropriate because of the specific nature of the proposed development. In the Rural Areas, the required grading and drainage plan and the landscape plan may be included on the site plan if space permits.
- Once the Municipal Planner has received the application, it shall be circulated to all commenting staff and agencies. Based on the results of the circulation, the Planner will suggest modifications to the site plan. Once the site plan has been agreed to by the Municipal Planner and the applicant, the Municipal Planner shall prepare a site plan agreement. Once the applicant signs the site plan agreement and provides the Municipality with the necessary securities and insurance certificate, the development may proceed to the building permit stage of the approval process.
- For most Site Plan Control Applications, the Municipality will require the owner to enter into a **Site Plan Control Agreement**. The agreement shall require that the proposed development be in accordance with the approved plans and shall be subject to conditions as set out by the Municipality. The Municipality's standard site plan control agreement includes requirements to provide a performance and/or maintenance **security** for any works required pursuant to the agreement or site plan. The security may be provided in the form of a certified cheque or letter of credit. All site plan agreements shall be registered on title of the subject property and the expense incurred for such action shall be the responsibility of the applicant (included in application fee).
- If the owner of the subject property is not satisfied with any of the requirements made by the Municipality, or the terms of the agreement, or if the Municipality fails to make a decision on the application within 30 days after the application is deemed complete, the owner of the land may require the plans or drawings or the unsatisfactory requirements, or parts thereof or the agreement, as the case may be, to be referred to the Local Planning Appeal Tribunal (LPAT) by written notice to the secretary of the LPAT and to the Clerk of the Municipality.
- A **building permit** will not be issued until the site plan has been approved and the agreement and required securities have been submitted and/or any special conditions completed.

PLEASE NOTE THAT THE ABOVE INFORMATION IS ESSENTIAL INFORMATION FOR SITE PLAN CONTROL APPLICATIONS. FAILURE TO PROVIDE THIS INFORMATION INHIBITS A COMPLETE EVALUATION OF THE PROPOSAL AND MAY RESULT IN A DELAY.
